‘But the angel said to them, do not be afraid, I bring you good news that will cause great joy for all the people.’ - Luke 2.10

As a church, Christmas is a great opportunity for us to bring joy and spread the message of Jesus. The world needs good news and we have the very best.

In our schools, over 1,500 children will be told, or in many cases experience, the Christmas story this December.

In our churches, we will have Christingles, carols, campfires and crib services, something for everyone. We're even looking at joining in with carols in Station South and the lights switch-on on the Village Green.

We will have our nativity lights outside St Peter's and our wonderful festive lights inside St Mark's.

We will soon have given out around 2,000 leaflets outlining our Christmas services, giving opportunities to invite friends and neighbours.

And as per the shepherds, we shouldn't be afraid to invite people. Indeed, it should be our priority. When a new baby has been born, everyone seems to be told. We don't know the baby's weight or the exact time of Jesus's birth, but we do know that he is God incarnate. Surely news that should bring joy for all the people.

So how do you feel about giving a personal invitation to someone this Christmas to one of our services. Be a Joy bringer!

With my love and prayers

George
